WE ARE

- Experts in Shipping Perishables
- A TSA Certified Cargo Screening Facility (CCSF)
- Consultants in the latest trade regulations, laws and requirements
- State of the art in our facilities, training and procedures
- Customer satisfaction driven
- Here to assist YOU in growing and protecting your business

100% SCREENED CARGO MANDATE

To meet the TSA regulations requiring 100% of air cargo be screened, Perishables By OCEANAIR became a Certified Cargo Screening Facility (CCSF). We made significant investments in non-intrusive screening technology such as a L3 X-ray Machine and Smith Detection's newest explosive-trace detector the 500 DT. In addition we have invested in additional personnel, extensive training, enhanced facility security, program administration and chain-of-custody procedures. As regulations and requirements change, so do WE to ensure the compliant and expedited delivery of your perishable shipments.

OCEANAIR AND US:

*"We have been doing business for more than ten years. John, John and Maria give us continuous care for all our perishables. Even after they have grown bigger, their customer service is no different. They are working hard to find better service for us."*

*I have no hesitation to recommend OCEANAIR to my friends. If it were not for their help, I wouldn't be here today."*  
- Yoshi Okada  
c/o International Lobster

*"OCEANAIR is the only choice for perishable cargo. They really understand our needs for on-time handling and deliveries — and the service is 24/7 — they do whatever it takes to get the job done. OCEANAIR has handled our perishable Shipments for 3 years and the service has always been exceptional."*
