The Honorable Elizabeth Warren
The Honorable Edward Markey
The Honorable Michael Capuano
The Honorable Stephen Lynch

I am writing on behalf of <company name>, headquartered in <City>, <State>, to urge you to secure full federal funding for the Boston Harbor Dredging Project in 2016. Our business is heavily reliant on the Port of Boston.

This project will make sure Conley Terminal is competitive and viable for years to come, providing a major boost to Boston's maritime industrial economy and Massachusetts' importers and exporters. By investing in the working port, we can help retain Boston's maritime heritage, preserve jobs, and lay the ground work for future growth.

We are very grateful for the leadership you have provided on maritime and port issues this year and in previous years. Ensuring full federal funding this year for the dredging project is the next step forward. Thank you in advance for your continued support.

Sincerely,
